WELCOME TO

Nihal Fintech PVT LTD

Established in Mumbai on 29th June 2013, We stands as a benchmark in **India's best loan and finance solution company**. Our outreach extends beyond Mumbai, having made a mark in numerous key business cities.

With the trust of over 1,000+ clients from diverse sectors like manufacturing, trading, and services, we've become synonymous with financial solutions. Our offerings, from Home Loans to Working Capital facility, we signify our commitment to meeting every financial need.

At Nihal Fintech PVT LTD, our core principle is understanding and delivering services. We listen, analyze, and ensure that each client's financial goal is met with precision and professionalism.

What sets us apart?

Client Centric Approach:

At Nihal Fintech, our top priority is to fulfil our client's requirements in the best feasible way in the minimum time. Turning our client's dreams into reality is our main objective. As a primary step, our highly experienced and professional team understands the client's need, performs deep analysis, and provides the best optimal solution that helps meet our client's requirements.

How we Work?

The best way to find out if we can help is to contact us for a confidential discussion of your needs. We can suggest and assign you a planner who will be the best fit to understand and analyze your requirement. As a next step, your planner works with you to understand your needs, goals and objectives and advise you on how best to achieve them. We work based on facts and not on beliefs or assumptions. Moreover, we are highly process-oriented to provide our clients with the best and hassle-free service.
